Snake River Cutthroats
2020 Rod Building Class

- **The first Session is January 14th, 2020. Meet at Jimmy's All Seasons Angler, 275 A Street, Idaho Falls at 6 pm.**
- **At the first session students will learn what components to buy and where to buy the components. In the later sessions the students will assemble and finish their fly rod.**
- **A comprehensive set of notes will be supplied along with the use of all the necessary tools needed to assemble and finish your fly rod for the cost $40.**
- **The instructors, Wade Allen and John Rivera, have many years' experience and are highly qualified to both teach and build fly rods . This is a great way to get a fly rod of a lifetime at half the cost for either fresh or salt water.**
- **For more information contact Wade Allen 208-390-3130 (www.snakerivercutthroats.org or The Snake River Cutthroats Fly Fishing Club Facebook Page).**
